- New Tax Savings Opportunity

As always, we're here to support you in your financial decisions, now and into the future.

Team UPDATES

Mitchell Ahmad, CFP®, CFA®, Senior Portfolio Analyst

We are excited to introduce Mitchell Ahmad, a key member of the Hansen Team. Many of you may not be familiar with Mitchell and the roles he plays, so we thought this would be a great opportunity to share more about him.

Mitchell has essentially grown up in the financial industry, surrounded by members of Wealth Enhancement. We first met him as an intern at SVA Financial Group while he was attending Carroll University. During his internship, Mitchell performed a variety of tasks, gaining a broad understanding of the business and the operations of the Hansen Team.

After graduating from Carroll with a degree in Mathematics and a strong desire to deepen his knowledge of the financial industry, Mitchell was thrilled to be offered a position on the Wealth Enhancement Corporate Investment Management Team led by Randy Godsell at the time. In this role, Mitchell's exposure to various market and industry experiences significantly enhanced his knowledge and expertise. The people he met and learned from helped shape his views and thoughts on investing, portfolio management, and client engagement. Mitchell's passion for investing and learning led him to obtain both his CFP® and CFA® certifications while continuing to grow in his role on the Investment Team.

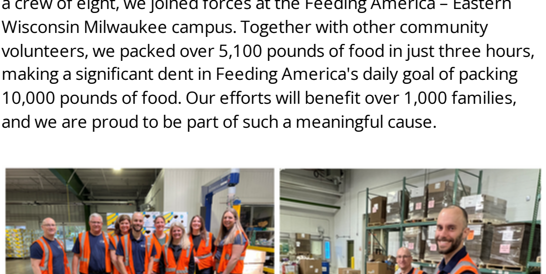

In 2024, Mitchell had the opportunity to rejoin the Hansen Team as a Senior Portfolio Analyst, working once again with his friend and mentor, Randy. Since joining the Hansen Team, Mitchell has become an integral part of our local investment team. His responsibilities include leading our Brookfield Trading Team, researching and analyzing market trends, and customizing portfolios for clients. Mitchell frequently joins client meetings with our Advisors, providing investors with access and insight into the thoughts and strategies of our local investment team—an access not typically found at other firms.

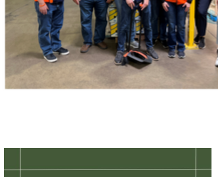

Both Randy and Mitchell agree that their experience and connections with the Corporate Investment Management team continue to benefit them and our clients. They maintain the ability to make decisions at the local level while also having access to the depth, knowledge, and resources of a larger firm through corporate Wealth Enhancement. This unique advantage empowers our team to serve our clients more effectively.

Mitchell is married to Morgan, a photographer and small business owner, and together they have one young son, Myles. Parenting keeps them busy, but they are enjoying every moment of it. In his free time, Mitchell enjoys spending time with his family, their three dogs, traveling, fitness, and reading. A personal goal Mitchell would like to achieve before Myles is out of school is to travel with his family to all seven continents.

Wealth Enhancement Day of Service

April was National Volunteer Month, a time for impactful community service, and the Hansen Team stepped up to make a difference. With a crew of eight, we joined forces at the Feeding America – Eastern Wisconsin Milwaukee campus. Together with other community volunteers, we packed over 5,100 pounds of food in just three hours, making a significant dent in Feeding America's daily goal of packing 10,000 pounds of food. Our efforts will benefit over 1,000 families, and we are proud to be part of such a meaningful cause.

May 2025 Market Commentary

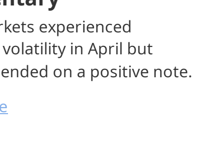

Equity markets experienced significant volatility in April but ultimately ended on a positive note.
